# Welcome to

## Trade Specialists

We are trade specialists in the manufacturing, stocking and distribution of low maintenance building products, successfully supplying customers for 30 years.

We have a depot network stretching across the country, so you're never far away from our huge range of top quality products and friendly, experienced staff.

## Our Depots

Call by any of our fitter friendly depots and get access to all the products you need to get the job done such as roofline, cladding, window trims, fixings and sealants. You can also order made to measure PVC-U and aluminium windows, doors, bi-folds, sliders and roof lanterns quickly and easily.

## Trade Membership

Having a trade membership with GAP simply means you get access to our lowest trade prices in every one of our depots, every time you call by. We also offer credit accounts where required, so please speak to our team.

# DEPOTS NATIONWIDE

Over 85 depots with fitter friendly trade counters, offering a local service across all parts of the UK.

## Expert Advice

Hints, tips and advice from our dedicated teams. Plus, specialist technical support when needed.

## Low Trade Prices

Low trade prices on thousands of stocked products and made to measure items.

## Fast Delivery

Fast free delivery from your local depot, no matter what the product.\*

## Order Online

Order online or instore, whatever is easiest for you. Your trade prices will be available however you order.

## Huge Stocks

We manufacture it, stock it and deliver it, so rest assured you're always in good hands with GAP.

Scan to find your  
local depot

recycled into our core, not the earths.

**The Industry's 1<sup>st</sup> and only BBA approved recycled roofline from Homeline.**

#### VIRGIN PVC-U SKIN

To guarantee a match, we use the same process as our non-recycled fascias. This means once installed – it's impossible to tell the difference!

#### 100% RECYCLED CORE

We use recycled PVC-U rooflines that are re-extruded into our inner core, which meet and exceed the most stringent recycling and sustainability criteria.

# REHAU SPECIALISTS

## FOR WINDOWS & DOORS

GAP have been fabricating PVC-U windows and doors for many years from a high tech manufacturing facility in Lancashire.

We specialise in the widely respected Rehau profile, as this complements our Rockdoor and HomeFrame GRP composite doors.

All windows are made to exacting standards by highly trained PVC-U fabricators and technicians.

HOMEFRAME  
WINDOWS.

### FEATURES

- PVC-U casements, flush fit, tilt & turn, sliding and french doors
- In-house manufacturing to UKCA standards
- Rehau PVC-U profile specialists
- Outer profiles match HomeFrame GRP doors and Rockdoor

## QUICK QUOTE & ORDER

- Hassle-free quotations from sales office and depots
- Huge choice of colours, configurations and furniture
- Glass options to cover toughening, obscurity, blinds in glass and thermal performance
- 2 hour cooling off period from point of order
- Competitive trade prices

## COLLECTION OR DELIVERY

Customers can conveniently collect window deliveries from our depots, we can deliver direct to site. Customers can also collect, or get delivered, all installation essentials too such as silicone, trims and fixings.

## RESPECTED TRADE BRANDS ALSO AVAILABLE

We don't just manufacture a wide range of windows, we also work with trusted 3<sup>rd</sup> party providers for specialist products from vertical sliders to the increasingly popular aluminium internal doors. Please speak to your depot teams or local sales managers for help and support in quoting any specialist jobs you may require.

# CASEMENT

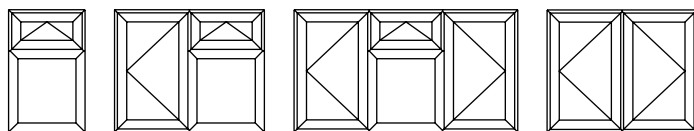

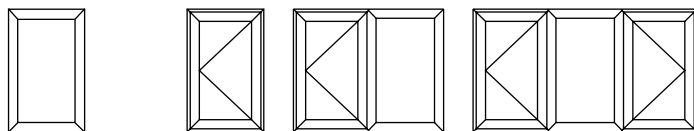

## WINDOWS

### FEATURES

Whether replacing a full house of windows, completing a new build property, or smaller replacement jobs, our 70mm casement window systems are easy to install and come with a range of glazing and ventilation options to help you meet building regulations.

### OPTIONS

Huge number of configurations available

**70mm SYSTEM - THERMALLY EFFICIENT - LARGE RANGE OF COLOURS**

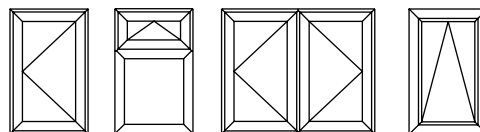

# FLUSH FIT

## WINDOWS

### FEATURES

These windows, made using the Rio flush fit system from Rehau, are the perfect addition to any home looking to achieve either a timber or aluminium style finish.

### OPTIONS

**TIMBER & ALI LOOK - THERMALLY EFFICIENT - CLEAN LOOK**

# TILT & TURN WINDOWS

## FEATURES

A simple concept, yet cleverly constructed. Our PVC-Tilt & Turn windows are designed to open both vertically and horizontally to provide versatility for the user. Available in a variety of different styles to suit all properties.

### VERSATILE OPTION

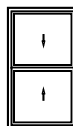

# SLIDING WINDOWS

## FEATURES

PVC-Sliding windows can provide either a period feature window using Georgian bars, or as feature windows on new build properties for stunning aesthetics.

### PERIOD CHARM

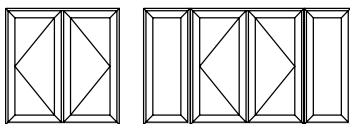

# FRENCH DOORS

## FEATURES

Simple, effective and yet still a hugely popular solution to open up living spaces into gardens and patios.

## COST EFFECTIVE

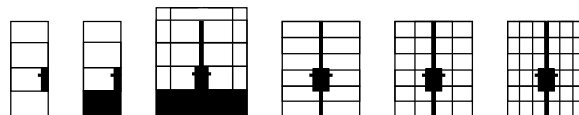

# ALUMINIUM WINDOWS/DOORS

## FEATURES

GAP provide a wide range of aluminium windows and doors to the trade. These include standard aluminium windows and external doors, through to the increasingly popular aluminium internal doors as shown in the picture.

## HUGE CHOICE

# WINDOW TRIMS

# BI FOLDING DOORS

## FEATURES

- Manufactured by GAP
- Cortizo aluminium system
- Adjustable jambs
- Homeowner marketing literature
- Quick quote in depots
- Quick delivery
- 1200 sash widths

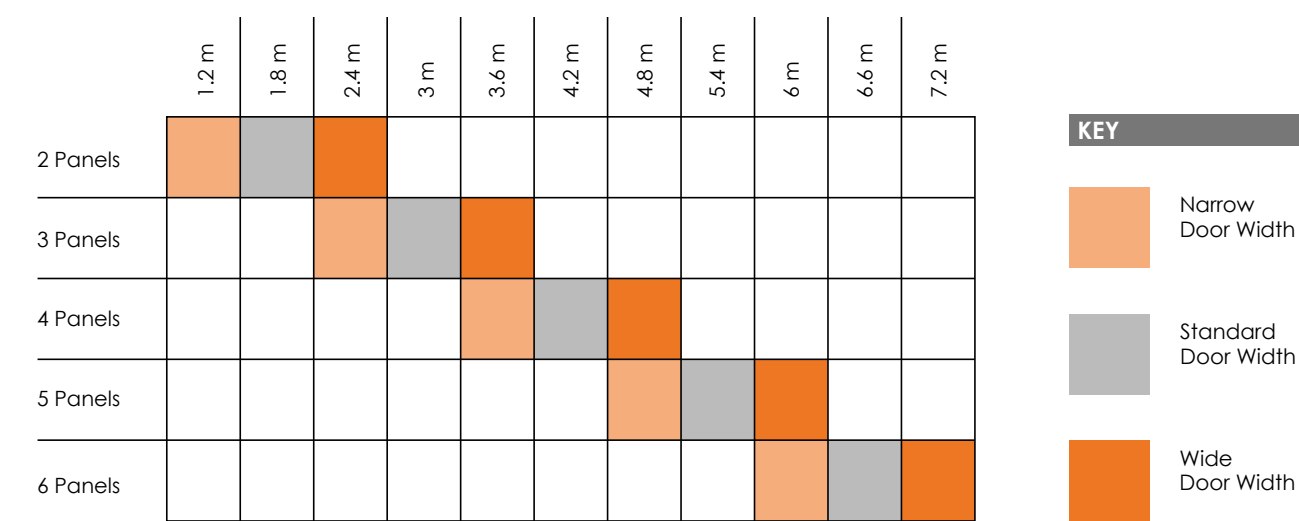

# HOMEVIEW

BI FOLDS.

# OVERALL WIDTH OF BI FOLDING DOOR SET

Doors under 4800mm wide are delivered assembled. Doors over this come in 'easy to fit' kit form

## COLLECTION OR DELIVERY

As with all GAP products, our team can deliver your bi folding doors to site, or a convenient collection can be made when the order is received from the factory at your local depot.

## BI FOLD SYSTEM

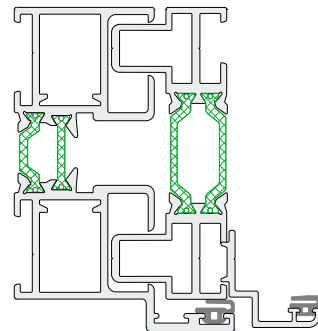

HomeView bi folds are made using the widely respected Cortizo system. This system is perfect for installers looking to offer homeowners a thermally efficient, secure bi fold door system with a minimalist look. Sashes can be provided at 1200mm wide and come with a superb quality powder coated painted finish for aesthetics and longevity.

## ADJUSTABLE JAMBS

The Cortizo system comes with adjustable jambs as standard for the traffic door and outerframe. This provides fitters a small degree of adjustment to ensure a quality installation overall.

### Outer Frame with Adjustable Jamb

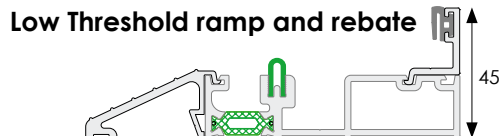

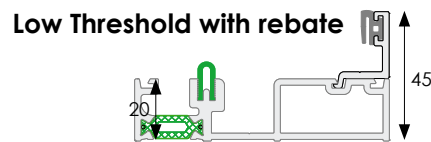

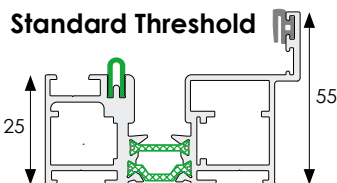

## ROLLERS

The door rollers used on HomeView bi folds have been life cycle tested to 50,000 opens, which is the equivalent to 20 years of use. The rollers are made using high grade stainless steel with sealed in bearings.

## THRESHOLDS

Standard 55mm thresholds and low 20mm thresholds, both with thermal breaks, are available depending on the specification required by the customer.

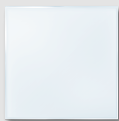

## OPTIONS

A wide range of glass and colour options as indicated.

# LEAD & LEAD ALTERNATIVE

## LEAD ALTERNATIVE FEATURES

- Self adhesive using high performance butyl on the underside
- Made of sheet aluminium with a protective anti-corrosion coating
- Can be used in both flat and pitched roof applications
- Installation is simple with no special tools required
- Can be cut with a knife or scissors
- Cost effective replacement to lead
- BBA Approved

## SMOOTH LEAD ALTERNATIVE

### DESCRIPTION

### CODE

150mm x 5m	EASYLEADR1505SMT
300mm x 5m	EASYLEADR3005SMT
450mm x 5m	EASYLEADR4505SMT

Looks like lead but has no resale value therefore preventing theft.

## TEXTURED LEAD ALTERNATIVE

### DESCRIPTION

### CODE

150mm x 5m	EASYLEADR1505TXT
300mm x 5m	EASYLEADR3005TXT
450mm x 5m	EASYLEADR4505TXT

Unique corrugated pattern makes it easy to form and to adapt to various surfaces, giving an attractive appearance every time.

## CAST LEAD FLASHING 3m & 6m (CODE 3)

1.32MM  
THICK

DESCRIPTION	CODE
150mm/6" (13.5kg)	LS150

# SEALANTS

## DECORATORS CAULK

DESCRIPTION	CODE
White	AS1
Brown	AS2

Paintable acrylic for the interior sealing of PVC-U windows & doors.

## GAP FILLER

DESCRIPTION	CODE
White	GP2

Solvent based PVC resin for filling/sealing of PVC-U frames.

## SODAFILL LIGHT WEIGHT FILLER

DESCRIPTION	CODE
900ml White	LWF900W

Lightweight sandable filler for filling of cracks and holes.

## LEAD NEUTRAL SILICONE

DESCRIPTION	CODE
Grey	LS

Suitable for sealing of lead sheet.

## AQUAFIX

DESCRIPTION	CODE
Transparent	AWS2

Repair of leaking rainwater joints or when sealing on damp surfaces.

## REPAIR EXPRESS

DESCRIPTION	CODE
Grey	ERCG
Beige	ERCB

Textured repair cement. For quick filling of joints and cracks in concrete.

## SMX 506

DESCRIPTION	CODE
SMX 506 - White	SMXW
SMX 506 - Black	SMXBL

An approved wet sealant for self cleaning glass.

## SODASEAL MIRROR

DESCRIPTION	CODE
Grey	GMA

Hybrid based mirror adhesive non deforming to mirror backing.

# ADHESIVES

## SUPER GLUES

DESCRIPTION	CODE
Super Glue 20gms (Medium Viscosity)	SG
Super Glue 50gms (High Viscosity)	50SG

## SUPER GLUE & ACTIVATOR (TWIN PACK)

DESCRIPTION	CODE
Super Glue & Activator	50MK
Fast curing superglues & activator to improve adhesion time.	

## ACTIVATOR

DESCRIPTION	CODE
Super Glue Activator 200ml	SGA

## SOUDABOND EASY

DESCRIPTION	CODE
Gun Grade 750ml	FAEGG
Hand Held 750ml	FAEHH
Fast curing PU foam adhesive mortar for filling & bonding.	

## GRIP ALL

DESCRIPTION	CODE
Solvent Based	GASB
Solvent Free	GASF
Fibre reinforced grab adhesive.	

# AEROSOLS

## ALL IN ONE

DESCRIPTION	CODE
All In One	GS
Universal use spray - Protects, lubricates, cleans & much more.	

## MULTI SPRAY

DESCRIPTION	CODE
Universal	GMS
Ideal for use on screws, bolts, nuts, axles, hinges & much more.	

## SILICONE LUBRICANT

DESCRIPTION	CODE
Multi use	SL400
Protective, lubricating, water repellent spray based on silicone oils.	

ULTIMATE SEALANT & ADHESIVE RANGE

The highly advanced range of multi-functional sealant and adhesive products are suitable for all your bonding and sealing needs, inside and outside, on all types of materials and surfaces. The ultimate all-around product range. We offer 4 different variants of Fix ALL® each with its own specific properties and characteristics.

FIX ALL TURBO

DESCRIPTION	CODE
White	FATW
Super-fast (20 mins), high initial tack, all weather use, mould resistant.	

FIX ALL EXTREME EXPRESS

DESCRIPTION	CODE
White	FAEW
Developed for the immediate bonding of extremely heavy materials.	

FIX ALL HIGH TACK

DESCRIPTION	CODE
White	FAW
Brown	FAB
Black	FABL
Grey	FAGR
Ultimate in sealant and adhesive performance, mould resistant.	

FIX ALL CRYSTAL

DESCRIPTION	CODE
Crystal Clear	FAC
100% Crystal clear, virtually invisible bonding, mould resistant, all weather use.

# 3 Decades of Serving Customers

GAP started life as an independent specialist builder's merchant supplying window and door installers with products such as PVC-U trims, silicones, fixings and door panels.

Founded in 1993 in a small unit in Accrington, GAP has rapidly expanded its depot network over the years and now operates from 85 depots nationwide. In addition to this, GAP now manufacture over 70% of the products sold through the depots, from Roofline and Doors, to Windows and Bi Folds.

## Team Work

GAP couldn't have experienced the sustained growth over the last 30 years without the dedication, hard work and knowledge of the team - which now stands at over 1,000 team members.

Day in, day out, everyone at GAP is committed to serving customers with top quality products, at low trade prices, with the best service possible. Long may that continue!

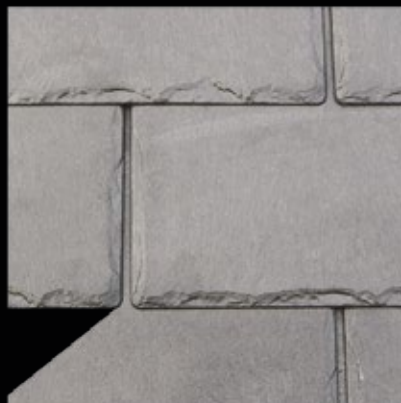

THANK YOU FOR

YEARS

gap
